

FAASTeam presents:

# **NW Mountain Virtual Aviation Safety Week - March 26 2021 - Day 4 - Session 3**

Re-live the instructor's August, 2019 flight from Houston TX to Hillsboro OR in his newly acquired Experimental aircraft (Thorp T-18). We will discuss the myriad of decisions, large and small, that go into advanced flight planning and long distance operations in light aircraft.

**Directions:** This Virtual Aviation Safety Event will be hosted using the Goto Webinar platform.

Goto Webinar registration link:

<https://register.gotowebinar.com/register/251259710927473165>

Once registered, you will receive an email confirmation from the Goto Webinar system platform with joining the webinar information for each topic you have registered. Thank you for your participation.

To register for Wings Credit please click on the registration information link below.

### **A message from the National FAASafety Team Manager**

Earn your WINGS to get a chance to win a cash prize. Go to
